STATEMENT OF INTEREST

████████████████ in ████████ ████████████████ nd ██ ice|in CSRC.
Equipped with knowledge in both Fin and Tech, I found the prevailing practice in
finance industry to be ambiguous. Most companies simply used the conception
without fully embracing the transformation. In this course, I'd like to participate in the
discussion of FinTech in a global context.

EXPERIENCE

2018 - 2020, Capital Market Statistics & Monitoring Center

(Capital Market Statistics & Monitoring Center is an affiliated institution directed by China
Securities Regulatory Commission. CMSMC performs market monitoring, provides data
