DIGITAL FUTURE

SUMMIT AT ESMT BERLIN

WHO ARE WE?

We are the DigitalFuture Summit at ESMT Berlin, organized entirely by a group of ESMT Masters in Management students.

In 2020, the DFS attracted **over 900 students and young professionals** from 100 different nationalities and Europe's top universities. In 2021, we will host our event in a hybrid format – and we would like to invite you to join us either on-site or online!

WHAT DO WE OFFER?

Top talents and top companies come together to learn about the future of digitization, with **exciting panel discussions, inspiring key-notes, and hands-on workshops.**

Together with Vali Berlin, the entrepreneurship platform at ESMT, we host „The Pitch Competition 2021“ – pitching and receiving feedback as a startup has never been this easy!
